**Reusable Industrial Packaging Association's Annual Conference**

The Ritz-Carlton Grande Lakes

**October 20 – 22, 2010**  
**The Ritz-Carlton Orlando, Grande Lakes**  
**Orlando, Florida**

# TOPICS AND HIGHLIGHTS 2010

## ORLANDO

Located in central Florida and providing a home to world-famous attractions, Orlando is the largest inland city in the state, and is also home to its second-largest university, The University of Central Florida. Once the hub of Florida's citrus industry, Orlando's tourism and industrial portfolio has evolved – due in large part to Disney World and its proximity to the Space Coast and the Kennedy Space Center. The subtropical climate and an ever-expanding roster of Orlando shopping and tourism, ensures that the city remains one of America's greatest travel destinations.

## COLLABORATIVE CONFERENCES

IPANA's 2010 Fall Conference is once again co-located at The Ritz with the Reusable Industrial Packaging Association which is conducting its 70<sup>th</sup> Annual Conference. IPANA and RIPA, for the most part, will conduct separate business meetings on October 21. However, PDI and RIBCA have invited RIPA members with common interests to join a portion of their joint working sessions. On October 22, an all-day plenary session with speakers on a broad range of regulatory, technical, legislative, and business topics of interest to all industrial packaging manufacturers, reconditioners/remanufacturers, and their raw materials and component suppliers is planned. See more details below.

## PLENARY SESSIONS

Tentative plenary sessions scheduled in Orlando will focus on HM training with a different slant, a report from a PHMSA representative on the status of developments at the agency as it implements an administrative reorganization that shifts oversight of enforcement activities away from headquarters, an assessment of what's ahead for small business as elements of this year's unprecedented health care law take effect, a focus on industrial packaging trends in North America and globally, a discussion of the growing importance of sustainability in industrial packaging, and a look at the Fall mid-term elections.

## NETWORKING

In addition to learning opportunities at the various plenary and technical sessions, the co-located Fall Conferences present an opportunity for participating industrial packaging manufacturers, remanufacturers/reconditioners, industry suppliers, and others to network among themselves. Several social opportunities for such interaction occur during the meeting whether at the morning Continental Breakfast or Friday's RIPA Supplier Table-top Exhibition, or at the scheduled luncheons as well as the Welcome Reception on October 21 and the Networking Reception on October 22. Make the most of these cost-effective opportunities to "see and be seen" by important business contacts.

# PRELIMINARY PROGRAM

## **WEDNESDAY, OCTOBER 20, 2010**

(Schedule is subject to revision)

# ***RIPA/IPANA GOLF OUTING***

**Wednesday, October 20, 2010  
Orlando, Florida**

Attention all RIPA and IPANA golfers!

It is time to sign up for the 2010 RIPA/IPANA Golf Outing, which will take place this year on **Wednesday, October 20**, at the fabulous Ritz-Carlton Golf Club in Orlando, FL. This Greg Norman designed golf course is an exceptional venue that will challenge players of every level.

Two-time British Open champion Greg Norman says, "This course blends into its surroundings perfectly. The sightlines are stunning, and the course is fair for every level of player." The greens are large and welcoming, but beware of the alligators sunning on nearby lakeshores!

The price for glory is just right – at just \$125.00 per person, including cart and forecaddie. **Golfers are responsible for their own payment at the course.** Rental clubs are available.

RIPA has secured six tee times (24 openings), starting at 11:30 a.m. If you plan to play, please make your reservation early, as it is first come, first served. Jerry Geyer and Paul Rankin will set the foursomes and advise you of your starting time via e-mail.

The course is adjacent to the Hotel, and transportation from the hotel to the course is available. There is a great practice area, including a grass range! If you plan to arrive on Wednesday, make sure you leave yourself enough time to drive from the airport to the course (about 20 minutes).
